

The Schodack Spirit

Fall 2024

Warmth - Tradition - Spirit

A Message From Matt

Hello Schodack Families, Staff, and Alumni,

It's hard to believe it's been more than three months since camp ended. Memories from Summer '24 remain so vivid.

While it's a different pace than the summer, things with Schodack remain bustling year-round, and this fall has been no exception. Between meeting new families and staff members, staying in touch with our existing families and putting together another incredible Head Staff Team, it's easy to be excited for our 69th Summer.

We also have many projects and camp improvements taking place in the 12123, some of which you'll get to see in this newsletter.

I have loved seeing the way our community stays connected outside of the summer: bunk gatherings, Mystery Boxes flying off the shelves to support SCI, people popping in to visit our new winter office...these are regular reminders of how connected and exceptionally warm our Schodack community is.

I hope everyone has a wonderful Thanksgiving and holiday season and I look forward to being together at our Winter Reunion in January!

With love from camp,
Matt

National Wear Your Camp Shirt Day

Thank you!

Thank you to everyone that sent us or tagged us in their camp shirt pictures! We love them!

Mark your calendars! Our Annual Camp Schodack Wear Your Camp Shirt Day is coming in April!!

From The Camper Kitchen

NEW ZEALAND HOKEY POKEY ICE CREAM (SERVES 16)

Ingredients:

600ml Whole milk

568 ml Cream

2 tbsp Vanilla

400g Sugar

5 tbsp Maple Syrup

2 tsp Baking soda

In a bowl combine the milk, cream, vanilla and half the sugar and stir until sugar is completely dissolved. Add mix to ice cream maker. Allow to churn for 20 minutes.

In a large pan combine the maple syrup and the rest of the sugar and allow to cook on low heat until the sugar is entirely dissolved.

Once sugar is dissolved, turn to high until mixture begins to bubble or reaches 300 f. Remove the pan from heat, add the baking soda to the mixture and stir rapidly with a wooden spoon to make sure the baking soda is thoroughly combined. The caramel will begin to rapidly expand and bubble so make sure to use a large pan. Once bubbling subsides pour onto a lined tray and allow to cool.

Once cool, break up the honeycomb and mix into ice cream and serve.

ENJOY!

If you meet up with fellow Schodackians throughout the year, let us know so we can share it in our newsletters. You can email pics to us at camp@schodack.com

Schodack Spotlight

With college application season upon us, we love when staff can sneak in a mini camp reunion! **Josh Schneider, Jake Roth, Gabe Lunin-Pack (current Vanderbilt student), Drew Wallack, and Mikey Urbach**

News this wonderful we can't keep to ourselves! Schodack alumni **Adam Offitzer** and **Rachel Glikin** are engaged! We could not be happier for this incredible couple!!

Fun fact: Adam's parents, Lori and Barry, also met at camp. Incredible!!!

A huge congratulations to alum **Dylan Simon** on their wedding!! Dylan married Indy Stevens on October 19th in Washington DC.

Dylan's sister, alum **Rachel Simon**, reached out about suprising her brother with a new 5-year blanket as part of his wedding festivities and we could not of been happier to play a small part in their big day!
